

- **Cree Morgan** (President CASAP) has worked for Sonoma County for over ten years and has worked in all the programs managed by the Agricultural Commissioner's Office. He manages all technical resources for the department, including developing the GIS infrastructure. He is charged with managing the technical aspects of our PUE program, as well as administrating several other program specific databases. More recently, he has worked closely in developing Sonoma County's EGVM and LBAM programs. He graduated from UC Davis with a degree in Botany. Outside of the office, he enjoys spending time with his wife and daughter, playing music, and enjoying the beautiful natural resources of Sonoma County.
- **Mary Anne Nolan** (Vice President-South CASAP) Los Angeles County
- **Rusty Hall** (Vice President-North CASAP) San Luis Obispo County
- **Christine Belden** (Secretary CASAP) Los Angeles County
- **Beth Slate** (Treasurer CASAP), believes that professional development makes "cents" and is happy to have a well "balanced" job on the board. She has worked for Contra Costa County for over ten years and spreads her time between GWSS, PUE, FedEx, and controlling invasive species. Before joining the county, she worked in nursery production, as a landscape gardener for both private and public gardens, retail nursery sales, and as a dog handler for CDFA. Recently she adopted Sacramento County Ag's retired detector dog and is challenged redirecting the energy of her new crazy tail wagging family member. Her ongoing house remodel permit was "signed off" and now with her husband they are planning Phase II. That is phase two, not eleven! Like work, remodeling never ends.....
- **Jackson McCarty** (Webmaster CASAP) Currently, Deputy Commissioner/Sealer of Sacramento County, and I have worked for Sacramento County for 10 years. Previously, I was in the nursery business. I have a Master's Degree in Plant Protection and Pest Management from UC Davis, and an undergraduate in Biological Science from UC Irvine.
- **David Brown** (Member at Large CASAP ) works for the Colusa County Agricultural Commissioner's Office as an Ag. Biologist / Standards Officer III/ APCO. Mr. Brown Graduated from Cal State University, Chico in 2001 with a Bachelors of Science Degree in Agricultural Business and a minor in Crop Science. David resides in Yuba City with his wife Shellyn and three children, Tanner and Madison, 9-year old twins and Kendall who is 4. He enjoys hunting, fishing and is actively involved in coaching his children in Baseball, Basketball and Pop Warner Football. Mr. Brown is a board member for the River Valley Jr. Falcons Football organization and on the board of directors for his college social/ professional fraternity, Alpha Gamma Rho at Chico State University. David is currently studying for his Ag. Commissioner written exam and hopes to be an Ag. Commissioner/ Sealer in the future.
- **Helena Roberts** (Member at Large CASAP) Agricultural Inspector /Biologist, Monterey County Ag. Commissioners Office since 2007. Born and studied Agronomy and business in Colombia, South America. She was a consultant, university teacher and business owner in Colombia before she moved to USA in 1998; she participated on the Leadership Salinas Valley Program last year, and had serve as a volunteer in different community events in Monterey County.
- **Jodi Aceves** (Member at Large CASAP) Currently, Deputy Agriculture Commissioner. Graduated from California State University Chico with a Bachelor of Science in Agriculture Science. Jodi is a Deputy at the Siskiyou County Department of Agriculture with management responsibilities in Pest Detection, Biological Control, Pest Exclusion, Invasive Weeds, Siskiyou County Weed Management Area group, Emergency Management Planning and has managed the Pesticide Use Enforcement Program. Prior to her current position she worked as a Cooperative Extension Advisor/Agent for the Oklahoma Cooperative Extension Service and a Lab/Field Assistant for the California Cooperative Extension Service. In her spare time, Jodi is the President of the Yreka Chapter of Toastmasters International and avid invasive weed and agriculture education advocate. She loves being a mother to her three year old girl and a wife, friend, sister, aunt, daughter and granddaughter.
- **Kevin Wright** (Member at Large CASAP) Stanislaus County Inspector ten years, pesticide deputy two years; Calaveras County Deputy Ag Commissioner 4 years.
- **Shawn Fields** (Member at Large CASAP) Santa Cruz County
- **Steve Paris** (past president CASAP)
